Dear Professor Sanchez

We have received your messages in relation to your successful appeal of the decision by the Mexican Appeals court on the 5<sup>th</sup> October 2023.

The World Archery Executive Board has been informed in its meeting in December 2023 of this fact as part of the update on the archery situation in Mexico, and the progress of transition committee activities.

On behalf of World Archery and the entire Board we would like to apologize for the communication in December 2022 related to the decision of the court in 2022 which you now have successfully appealed.

This communication was based on the information which we had at that time which has now been shown as being incomplete and containing mistakes regarding the actual sanction and its implementation.

At no time were we informed that this information was incorrect until the decision of your appeal where the original court decision of 19<sup>th</sup> July 2022 was overturned . We had no intention to discredit you as person.

We remain at your disposal, should you need any further information.

Yours Sincerely,

Prof. Dr: Ugur ERDENER  
President World Archery

Tom DIELEN
