7th International Coaching Seminar **Fuengirola (Malaga) – Spain** **30 September to 3 October 2015**

Lausanne, 13 April 2015

Dear Archery Coach,

World Archery is pleased to announce the 7th International Coaching Seminar to be held Fuengirola, Malaga (SPA) from 30 September to 3 October 2015. The event will take place at the Hotel Las Palmeras, in Calle Martinez Catena in Fuengirola, Malaga, Spain (www.hotel-laspalmeras.com).

The seminar, hosted by Federacion Madrilenia de Tiro con Arco and Real Federacion Española de Tiro con Arco, will give archery coaches an opportunity to share best practices and coaching techniques with their global counterparts. The topics covered at the seminar are the overall structure and organisation of the hosts, coaching structure, athletes training and preparation to major events, psychology applied to archery, recurve and compound bow shooting technique, barebow, 3D and field archery, youth programmes, and much more.

The International Coaching Seminar brings the coaching community together to share best practices and experiences for the development of archery in your countries. So as well as participating in the interactive seminar, learning new skills, you will have the opportunity to discuss and exchange ideas with colleagues from all over the world without the distraction of a competition!

WA hopes you will join them at the 7th International Coaching Seminar. See you in Fuengirola, Malaga!

Yours sincerely,

World Archery Coaches Committee
