VISION By 2017

Archery will be *NATIONALLY* recognized on a world wide level as one of the important Olympic Sports

EXPANSION

- Coaches Education
- More & Better Archers
- Facilities/Sport Equipment
- Spread geographically

**To go further and progress in these objectives
World Archery needs more efficient TOOLS.**

**To be successful in our Expansion plans, a top
level Archery Facility under World Archery
management is needed.**

The WAEC project was born.

The WAEC project

- **The WAEC dream started in 2009 by FIDTA, the Development Foundation of World Archery.**
- **In 2012 became one of its main projects.**
- **September 4th, 2014 World Archery received the Construction Permit approval.**
- **The first machines arrived on site October 29th, 2014.**
- **WAEC will cover an area of 6200 square meters.**
- **The Building covers an area of 3000 square meters.**
- **The project has a current cost of 17.5 million CHF**
- **The WAEC should be operational by autumn 2016.**

The WAEC – The VISION

The WAEC aims to EMPOWER Archery development projects ... regionally, nationally and internationally.

... is aiming to be a REFERENCE for existing and future Archery Centres with its different projects ... Those that could INSPIRE and BENEFIT our MA and its Centres.

The WAEC – The VISION (II)
