49TH WORLD ARCHERY CHAMPIONSHIPS

Mexico City is one of the most dynamic and largest city all around the world...

We have the experience in hosting international sport events such as two Panamerican Games and the XIX Olympic Games in 1968 plus two FIFA World Cup

Our people will create a memorable experience for the athletes, officials and all participating parties that considers and addresses the needs of everyone

FACTS

8.8 MILLION

Climate

Located in the tropical zone, Mexico City is relatively cool with a mean annual temperature of 14 °C, but temperatures vary seasonally. The difference between summer and winter meant temperatures is approximately 6 to 8 °C. Winter is the driest time of year with temperatures often rising into the mid 20's °C during the day.

Official Language

Spanish

Official Currency

Mexican Peso

Location

Mexico City is situated in central-south Mexico and its surrounded by the state of Mexico on the west, north and east, and by the state of Morelos on the south. The city covers and área of around 1.5km² and is located in the Valley of Mexico.

EVENT DATES

We are planning to bring this World Championship during **summer** season on **2017...**

This season is characterized by moderate to warm temperatures in the morning with clear skies become cloudy skies with rain almost every day in the afternoon.

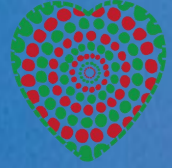

PRACTICES & QUALIFICATION, BOTH EVENTS AT CAMPO MARTE

1. Campo Marte is conveniently located 6.8 km (average) away from the official hotels (details on map)

2. The area for the event measures 305m x 180m, the venue will host both main competition and warm-up areas

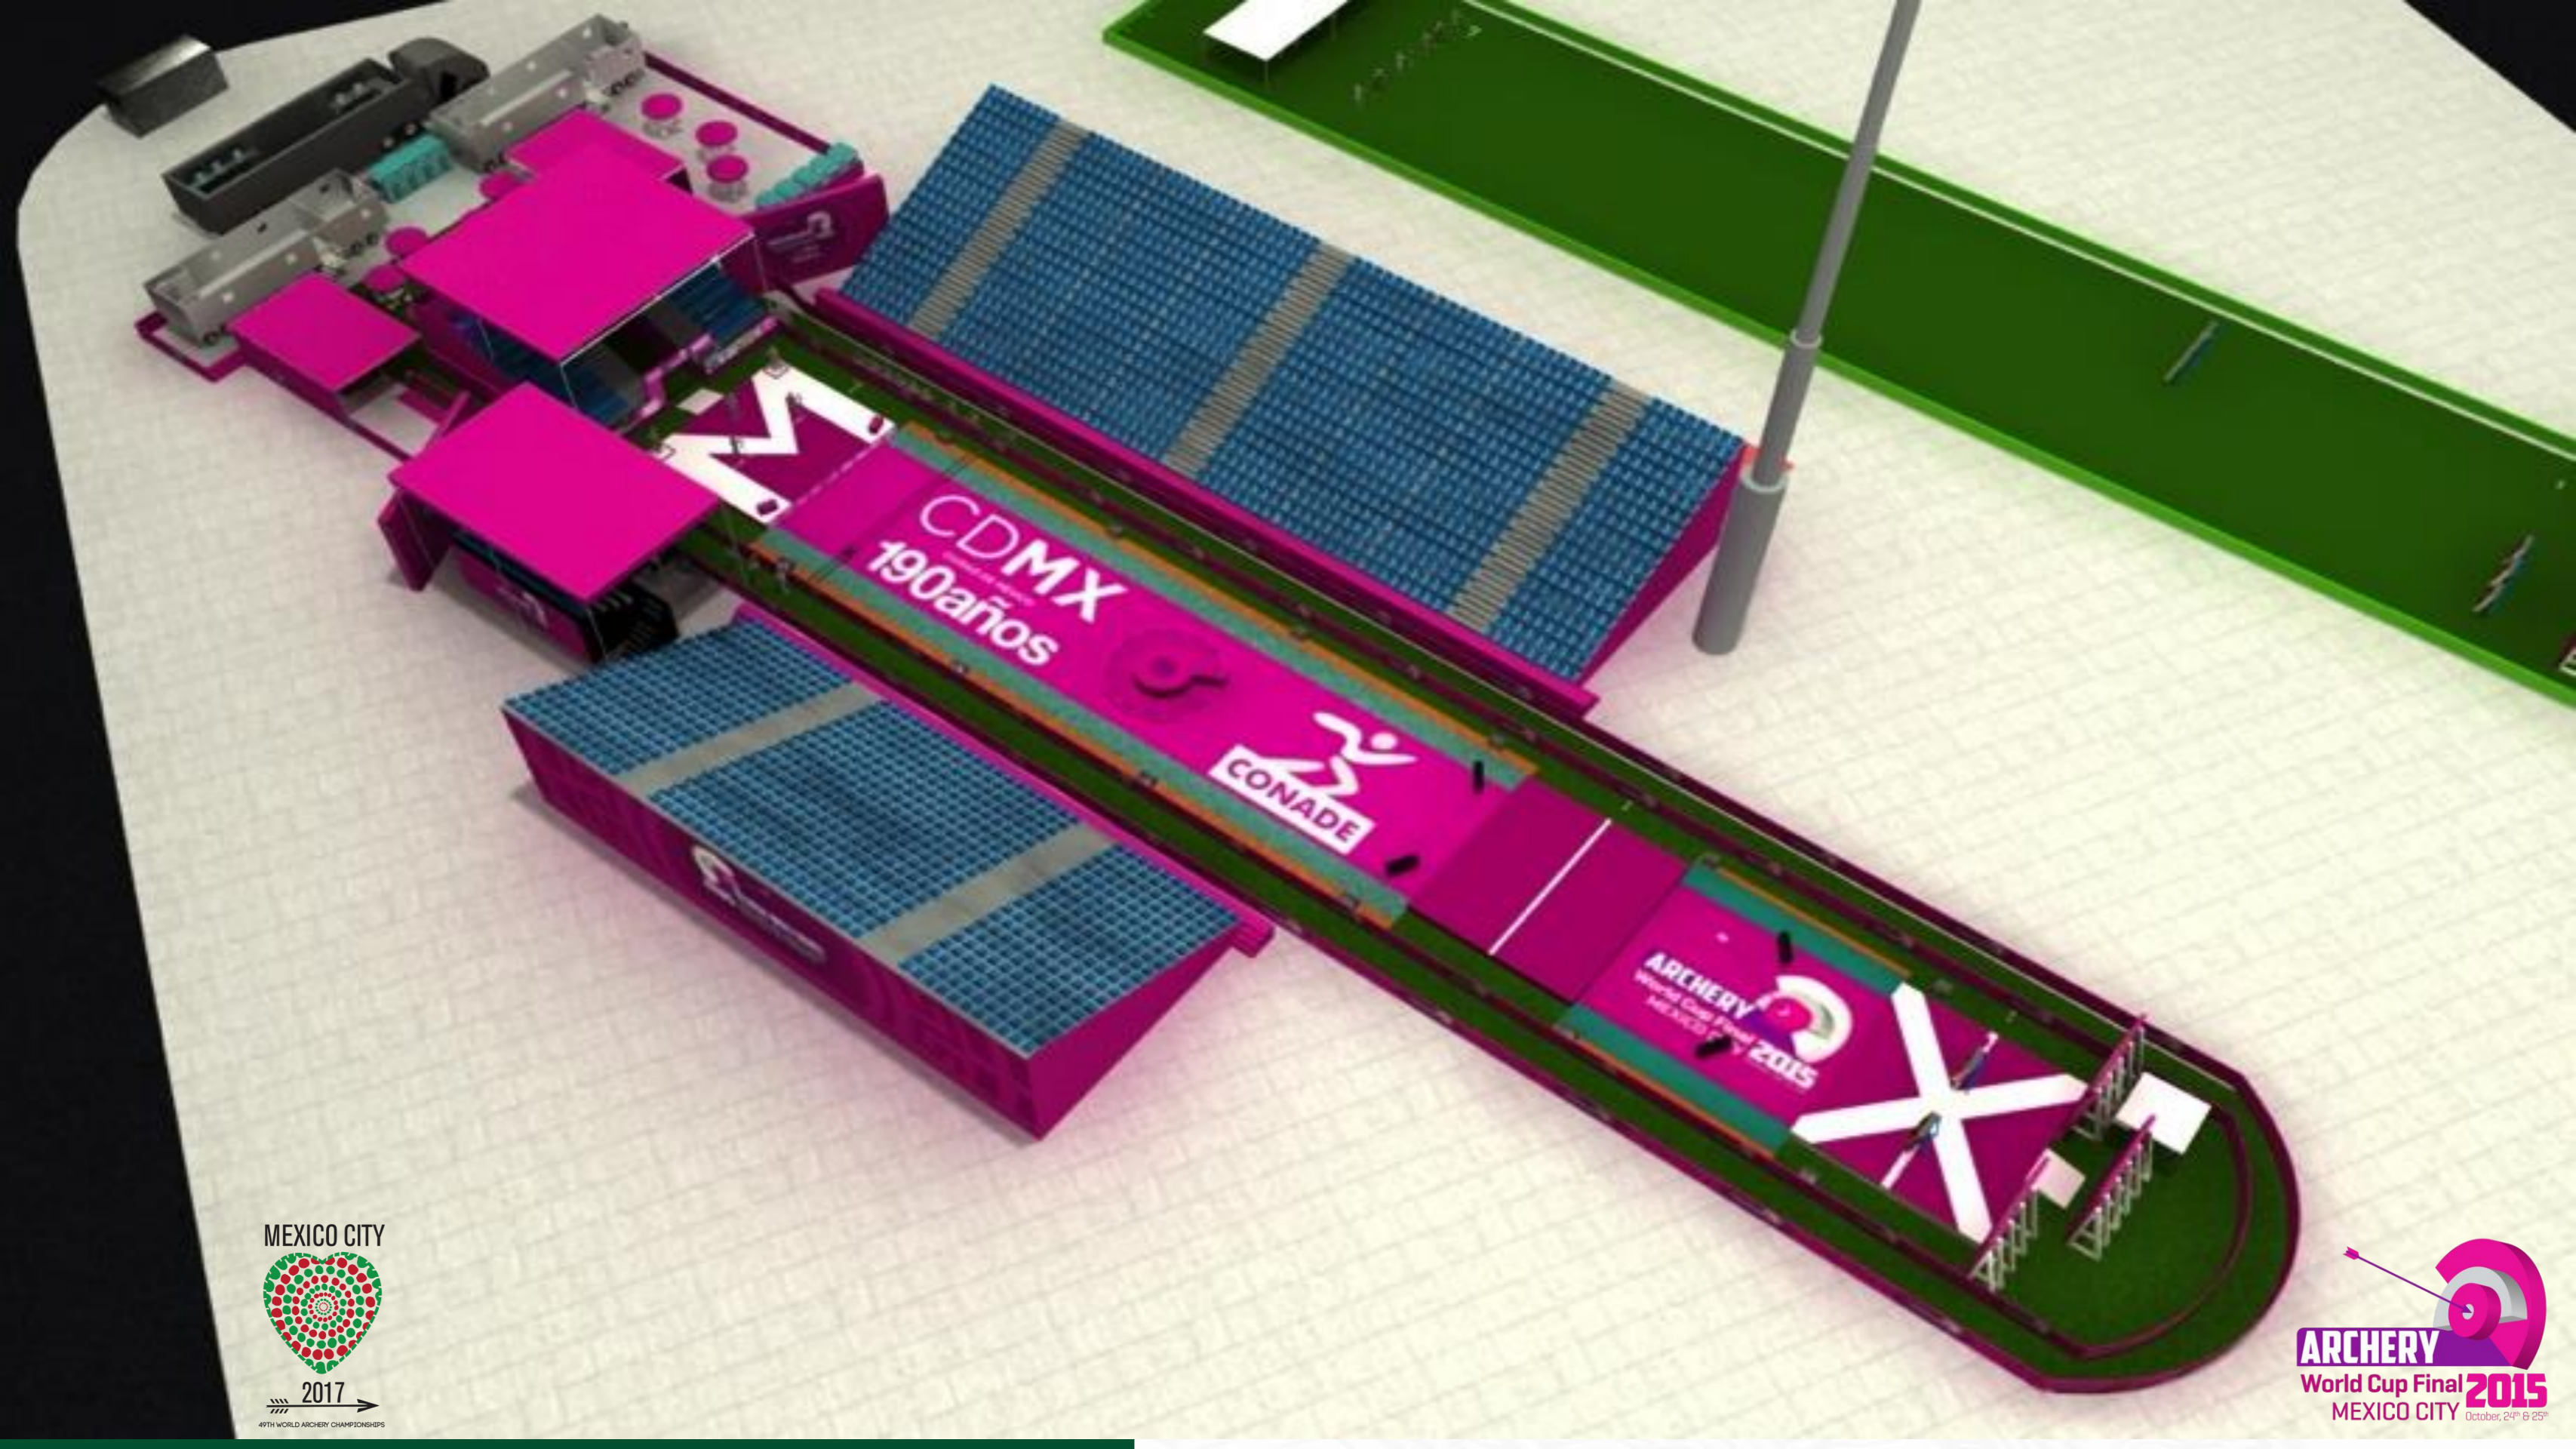

3. For this specific venue, stock rooms will be set up to allow each country to leave their equipment at site for the duration of these competition stages.

Venue of the finals: Zocalo Mexico City

Is the common name of the main square in central Mexico City

The modern Zócalo in Mexico City is 57,600 m² (240 m × 240 m), making it one of the largest city squares in the world
