Definitions:

"Interest". An "interest" means and includes any interest, direct or indirect, whether private or personal, financial or otherwise related to World Archery official concerned. This also includes the interest of a third person (such as a parent, spouse or other immediate family, or dependent).

"Conflict of interest". The fact that World Archery official is associated with another organisation in the sport such as a Member Association does not in and of itself constitute a conflict of interest. The following is a non-exhaustive list of examples of circumstances in which conflicts of interest could arise: personal and/or material involvement as an employee, contractor, director, trustee, shareholder, partner or other position with suppliers to World Archery, sponsors, broadcasters, or other parties contracting with World Archery or any other organisation or person likely to benefit from the assistance of World Archery (such as a subsidy, approval or election).

16. If you are successful in this position, please describe the ideas, projects and activities you plan to implement for World Archery

I am a young coach, still trying to find or fight for his place in the archery world of coaches. At first, I would only like to broaden my view of the coaching world, to see how things stand with coaches around the world.

If successful, my focus would be on improving connection and communication between coaches/team managers and judges off or on the field of play. I have great respect for both and I believe that they should always cooperate in either forming/modifying rules or finding solutions.

I am not aware, how the two committees collaborate at the moment, but too many times we see the judges and coaches are not in sync with which rules are necessary and which are not.

My idea is that there should be an open channel, publicly known, for coaches or team managers to post their views on some rules that are in effect so that later coaches and judges committee (with constitution and rules committee) can sit down and discuss on the effecting rule and maybe even try to find the solution that would be beneficial to all sides.
