"Conflict of interest". The fact that World Archery official is associated with another organisation in the sport such as a Member Association does not in and of itself constitute a conflict of interest. The following is a non-exhaustive list of examples of circumstances in which conflicts of interest could arise: personal and/or material involvement as an employee, contractor, director, trustee, shareholder, partner or other position with suppliers to World Archery, sponsors, broadcasters, or other parties contracting with World Archery or any other organisation or person likely to benefit from the assistance of World Archery (such as a subsidy, approval or election).

**16.** If you are successful in this position, please describe the ideas, projects and activities you plan to implement for World Archery

Not to mention that archery is one of the representative sports of Olympics, archery has been acknowledged as clean sport boasting its long history. Such positive reputation would not have been possible if it wasn't for the effort and commitment of all WA members to the sport.

Though I have started my career at Korea Archery Association and World Archery Asia since 2019, I carried out multiple sports events related affairs at 2018 Pyeongchang Olympics, 2014 Sochi Olympics, 2003 Daegu Asian Games and other sports such as soccer, golf and tennis. Over 20 years I've accumulated comprehensive knowledge including administrative system of sport organization and sports marketing, also gained field knowledge by working closely with other concerned parties.

If I was given the honor to serve as the Vice-President of World Archery, I will commit myself to keep the positive reputation and promote strength of our sport. Also as Secretary General of World Archery Asia, I will do my best to elevate the standards of the continental federation to world level class.
