| 6. Text of the motion (*) | <p>4.5.6.2.8.</p> <p>The Team Elimination Round (quarter-finals) consists of the top eight teams in each class qualifying from the two Qualification Rounds shooting four targets each: A team shall be made up by one Compound athlete, one Longbow athlete and one athlete using either a Traditional athlete or a and one Barebow. The team ranking shall be based on the best athlete's results for each category after the second Qualification Round. (If both the Traditional and the Barebow division are competing the higher result shall be taken for the ranking);</p> |
| 7. Reason | The team set up with only 3 members disadvantaged the Traditional athlete, in most cases the Barebow archer was selected ahead of the Traditional. This change gives the traditional athlete opportunity to shoot in the team. |
