16. If you are successful in this position, please describe the ideas, projects and activities you plan to implement for World Archery

I have been working with the Chinese Archery Association for 20 years and have deep feelings for the sport. I am familiar with the development of WA, having attended many WA Congresses as a representative of the Chinese Archery Association. I have made positive suggestions and carried out measures especially after being VP of the Chinese Archery Association. Contributions are made through my organization and coordination of WA World Cups in Shanghai.

My visions are as follows.

First, I will intensify communication with fellow EB members and make positive suggestions to the development of archery, thus make due contribution to the expansion of the influence of archery in the Olympic Family.

Second, I will promote the popularization of archery in China, taking the advantage of being VP of the Chinese Archery Association. I will promote the Chinese participation in and bid for major events of World Archery. I will try my best to enhance the performance of the Chinese archers.

Third, I will fulfill the duty of an EB member, complete the tasks assigned by World Archery on time.
