16. If you are successful in this position, please describe the ideas, projects and activities you plan to implement for World Archery

If I am elected as Executive Board Member of World Archery, I wish to contribute to support continuous growth and development.

My experience and knowledge of managing Olympic & Paralympic Games under pandemic was a hard and tough time but if there is anything that can help to support organizers and athletes, it will be my pleasure to do so.

Past few years, serving as Chair of Gender Equity Committee, was a great work with great team and was a good opportunity to learn about gender bias. I would love to support women in sport, which was a learn in ASOIF Women Lead Sport program.

My role in National Federation was being in charge of International relations, which I still look forward to have good communications and relationships with Member Associations.

Inspiring national federation is also something I am looking forward for with respecting their culture.

It has been 40 years since I fell in love with Archery and still looking forward the sport I love to be played, seen and supported by many people.
