"Interest". An "interest" means and includes any interest, direct or indirect, whether private or personal, financial or otherwise related to World Archery official concerned. This also includes the interest of a third person (such as a parent, spouse or other immediate family, or dependent).

"Conflict of interest". The fact that World Archery official is associated with another organisation in the sport such as a Member Association does not in and of itself constitute a conflict of interest. The following is a non-exhaustive list of examples of circumstances in which conflicts of interest could arise: personal and/or material involvement as an employee, contractor, director, trustee, shareholder, partner or other position with suppliers to World Archery, sponsors, broadcasters, or other parties contracting with World Archery or any other organisation or person likely to benefit from the assistance of World Archery (such as a subsidy, approval or election).

16. If you are successful in this position, please describe the ideas, projects and activities you plan to implement for World Archery

I hope to continue to bring to the Constitution and Rules Committee my experience as a Executive Board Member both for World Archery and from World Archery Europe. I have also been working actively as an Sport Event organizer for World Archery Europe since 2006.

I have been a national judge since 2008 and a continental judge since 2012. I have taken the reaccreditation tests as a continental judge in order to serve as a Technical Delegate alongside the judges to different events in Europe.

I have been following the work in the Archery World plan since the start and I am impressed about the work and professionalism we astride as a international Sport Federation and the results we see from this work under the leadership of our World Archery President Dr. Erdener.

I hope to still to be a part of that movement, the work and thinking in order to keep our great sport in the Olympic Games, be perceived as the best sport to participate in and to be top of mind for an increasingly demanding sport crowd.
