"Interest". An "interest" means and includes any interest, direct or indirect, whether private or personal, financial or otherwise related to World Archery official concerned. This also includes the interest of a third person (such as a parent, spouse or other immediate family, or dependent).

"Conflict of interest". The fact that World Archery official is associated with another organisation in the sport such as a Member Association does not in and of itself constitute a conflict of interest. The following is a non-exhaustive list of examples of circumstances in which conflicts of interest could arise: personal and/or material involvement as an employee, contractor, director, trustee, shareholder, partner or other position with suppliers to World Archery, sponsors, broadcasters, or other parties contracting with World Archery or any other organisation or person likely to benefit from the assistance of World Archery (such as a subsidy, approval or election).

16. If you are successful in this position, please describe the ideas, projects and activities you plan to implement for World Archery

As a person who has the experience of training, competition, and who is an official of archery, I have deep feelings for the sport. In addition, participating in the organization and judge team has brought me rich experience, especially in the organization of target archery. Meanwhile, I obtained strong teamwork spirit from my service in the general office of the Chinese Archery Association. The three points mentioned above will lay a solid foundation for my work with the WA.

My visions are as follows.

First, I will conduct extensive research in the development of archery under the leadership of the chairperson of the Target Archery Committee and expand the influence of archery in the Olympic Family.

Second, I will promote the popularization of archery in China, with my background of having been an archer and being SG of Chinese Archery Association, thus contributing to the prosperity of World Archery

Third, I will assist the chairperson of the Target Archery Committee in accomplishing routine work assigned by World Archery on time and communicate with fellow members to enhance working efficiency.
