**Definitions:**

"Interest". An "interest" means and includes any interest, direct or indirect, whether private or personal, financial or otherwise related to World Archery official concerned. This also includes the interest of a third person (such as a parent, spouse or other immediate family, or dependent).

"Conflict of interest". The fact that World Archery official is associated with another organisation in the sport such as a Member Association does not in and of itself constitute a conflict of interest. The following is a non-exhaustive list of examples of circumstances in which conflicts of interest could arise: personal and/or material involvement as an employee, contractor, director, trustee, shareholder, partner or other position with suppliers to World Archery, sponsors, broadcasters, or other parties contracting with World Archery or any other organisation or person likely to benefit from the assistance of World Archery (such as a subsidy, approval or election).

## Candidature for a position as World Archery official

**16.** If you are successful in this position, please describe the ideas, projects and activities you plan to implement for World Archery

If I am qualified for this position, I will promote my work from the following aspects:

First of all, I will actively expand the influence of archery sports and make the whole society full of positive energy from the aspects of social publicity, the number of participants and the popularization of archery knowledge.

Secondly, from the point of view of archery athletes, I will actively bid for and promote more Paralympic archery competitions or Paralympic archers. Archery is one of the few events that allows disabled and able-bodied individuals to compete together in the same competition. Indeed, it provides more opportunities for disabled archers to compete and show themselves. International Archery Federation, as the most important world organization in archery, should promote archery to more disabled individuals who do not have the opportunity to participate in sports.

Finally, I will devote myself to promoting archery and sports for the disabled to more people, so that the disabled can find their own development direction, whether as athletes or other roles in society.
