- Athletes ranked 9th to 104th position will shoot the 1/48 and 1/24 eliminations.
- There will be no alternate shooting during the preliminary elimination.

3.6.1 Recurve Elimination

- The sets system, will be used for all individual, team and mixed team matches. Individual matches will consist of the best of 5 sets, (3 arrows per set) and the winner is the athlete to reach a minimum of 6 set points first. Team and mixed team matches will consist of the best of 4 sets (6 arrows per team and 4 arrows per mixed team). The team that reaches a minimum of 5 set points first will win the match. All matches, up to and including the semi-finals, will be shot simultaneously on the qualification range for the individual, team and mixed team events.

Book 1, 4.5.1.4 (Recurve)

- *The Elimination Round, in which the top 104 athletes (mandatory for World Archery Championships) are seeded according to their positions in the Qualification Round (see match play chart Appendix 10 and Book 2, Appendix 1). Athletes shoot a series of matches in groups, each match consisting of the best of 5 sets of 3 arrows;*

3.6.2 Compound Elimination

- Matches for all compound events will use the cumulative scoring, consisting of 5 ends of 3 arrows. All matches, up to and including the semi-finals, will be shot simultaneously on the qualification range for the individual, team and mixed team events.

Book 1, 4.5.1.5 (Compound)

- *The Elimination Round in which the top 104 athletes (mandatory for World Archery Championships) are seeded according to their positions in the 50m Qualification Round (see match play chart Appendix 10 and Book 2, Appendix 1). Athletes shoot a series of matches in groups, each match consisting of 5 ends of 3 arrows;*
- Shoot offs in individual elimination for both recurve and compound will be decided by a one arrow shoot off "closest to the centre" (40 seconds). Time to shoot an arrow for shoot offs during alternating shooting is 20 seconds. Team shoot offs up to and including the semi-finals, will be shot simultaneously, and then alternatively, arrow by arrow, in medal matches.

Microphones will be activated immediately when entering the FoP for the match and removed when the match is completed. Coaches' comments will be recorded for use in the TV highlights and on matches placed on www.archery.tv platform.

3.9. Appeal Procedure (Form attached)

- An Appeal form is attached to this document (see attached after this chapter, Appendix 1).
- In case of an Intent to Appeal or an actual Appeal, the times indicated on the Appeal form must be considered.
- Appeal forms should be given to the Chairman of the Tournament Judge Commission or to their deputy.
- A fee of US\$50- (Euro 45.-) must be paid to the Chairman of the Tournament Judge Commission, for the Appeal to be valid.
- If the Appeal is upheld by the Jury of Appeal, the fee will be returned. In the case of the Appeal being rejected, the fee will not be returned.

4. Technical Matters (ED + Chairman of Judges)

4.1 Timing Control System

- LONGINES Timing equipment will be used for timing and scoreboards.

4.2. Results System

- Qualification Round - scoring will be done by athletes. One athlete records, on the official paper based score sheet, the scores of all other athletes on that target. At the same time, another athlete, on that same target, will enter all the scores of the athletes on that target into the scoring tablet. The other athletes should verify that all scores are written and entered correctly.
- **Scorecards MUST have all the totals fully completed, with the 10's+X's and X count. Any scorecards not completed correctly with this information will be counted and scored as 0.**
- Elimination Round – scoring will be done by athletes. One athlete/team records the arrow values of both athletes/teams on the papers score sheet. While at the same time, the other athlete/team inputs the arrow values in the scoring tablet. Both athletes/teams should verify that all scores are written and entered correctly before returning back to the shooting line.
- At the end of the match, the scorecard must be fully completed and signed by the athletes involved in the match.
- Scoring tablets will be used during the Qualification and Elimination Rounds, but not in the Finals. Mr Matteo PISANI (WA Results & Technology Team) is responsible for the results of the event.

4.3 Rules that apply in this event

4.3.1. The Rankings

- At the end of the event, the World Cup Rankings (www.archeryworldcup.org) and the World Rankings (www.worldarchery.org) will be updated.

4.3.2. Dress Regulations

- Athletes, officials and staff should wear the appropriate clothing having the correct appearance when on the field during competition. Camouflage clothing or accessories are not permitted.
- Athletes, team officials and technicians should wear their national team uniforms and sports shoes having the same appearance as per the division, following World Archery rules.
- We would like to remind all teams that athlete names and country names or codes are mandatory on the back of their national team uniform shirts for athletes participating in World Archery major events.

4.3.3. Longines "Prize for Precision"

- The Longines "Prize for Precision" for archery was launched in 2010. The two most precise athletes in a World Cup season will win the trophy, a Longines watch and a 5.000 Swiss Francs prize.
- In odd years, compound athletes shoot for the Longines Precision prize. In even years, recurve athletes compete for the prize. 2015, compound male and female athletes are eligible to win the prize this year.
- Athletes shooting the most 10s during the World Cup individual qualifications and elimination matches as of the 1/16 eliminations of the World Cup stage, can win.
- The race for the LONGINES Precision Prize will continue until the very last match at the World Cup Final in Mexico City!
- During a AWCS, one Longines watch will be awarded to the athlete who shoots the most 10s during the competition (during the individual qualifications and the matches from the 1/16 final phase) in a chosen category, per event, as follows:
 - Shanghai: Recurve Women KANG Chae Young (KOR)
 - Antalya: Compound Women Maria VINOGRADOVA (RUS)
 - **Wroclaw: Recurve Men**
 - Medellin: Compound Men

4.4 Accreditation Cards Rules for 2015 and following (1 card per participant/season)

- In 2011, World Archery launched their accreditation card system.
- Athletes and officials participating in World Cups will be issued with only ONE accreditation (card, plastic cover and lanyard) for the entire season.
- Accredited persons are required to keep their newly issued accreditation for all the events in 2015 and 2016.
- **All persons** (athletes and staff) are required to update their accreditation and profile photos at their first event of 2015.
- All accreditation cards need validating for each event when registering with the Organising Committee at the tournament.
- Athletes or officials that forget or lose their accreditation will be issued a new accreditation and will need to pay EUR 25 (USD 30) per card.
- However, if there is a valid reason for not having the original accreditation, this should be made known to WA by the Team Manager or official.

5) Logistical Aspects (OC)

5.1. Transportation

- Daily transport information and schedules will be placed at the competition field and at all the official event hotels.
- For safety and comfort on the buses, athletes will not be allowed to enter a bus with a bow, riser or arrows. All archery equipment should be packed away in bow cases and stored in the luggage compartments of the bus.

On days before August 11, teams are advised to make their own arrangements for lunch.

Dinner 19:00 - 22:00.

* Catering times may be adjusted according to the daily schedule. Teams will be informed in advance.

5.3. Access Control

Athletes who are not in competition will not be allowed on the competition field. Stickers of different colors will be placed on each athlete's accreditation cards showing which category they are competing in.

Athletes who are not in competition may watch the event from behind the athlete shelter.

Athletes who are eliminated are required to collect their equipment and leave the competition area as soon as possible to allow more room for those athletes still competing and not block the view of spectators behind.

5.4 Top 7 Things To Do In Wroclaw

The following is only a short list of the sights and attractions that Wroclaw has to offer:

1. Square Market

Is in the heart of Wroclaw, lively at any time of the day or night. It is the largest market of urban planning in Europe. In the center is the Cloth Hall (*Sukiennice*) and Town Hall (*Ratusz*), which are unique in Europe, a monument of Gothic and Renaissance architecture. Elements of the design are related to the history and symbolism of Wroclaw. The oldest image of the coat of arms of the city, was created in 1534 and is located on the top of the 66-meter tower. The Town Hall building, the former headquarters of the town, houses the Museum of Bourgeois Arts. Before its eastern façade, facing the pillory (a true copy of a medieval design, was sadly destroyed in 1945), before the West - Aleksander Fredro monument, moved from Lviv in 1946. The market is surrounded on four sides by houses, of which the most valuable are: Under the Seven Electors, the Golden Sun and Hansel and Gretel.

2. University of Wroclaw

Is located in the biggest baroque complex of the city, created by the former Jesuit college and church. It is the oldest university in Wrocław, which in 2002 celebrated its 300th anniversary of its existence. The main building houses the University Museum, which lies in the Silesian baroque pearl - Leopoldin's Hall. Music corner of the University's Marianum Oratory- the assembly hall, where today, as 200 years ago, there are concerts given by prominent artists. Devotees of science will be interested in the ancient astronomical observatory, located in the Mathematical Tower - the old equipment, including fourteenth-century astrolabe, celestial globe of the sixteenth century, sundial from the seventeenth century and Galileo's compass from 1665, can be seen in the Hall of F. Longchamps de Berier.

3. Library Ossolineum

Has its headquarters in the Baroque building of the former monastery of St. Matthias. Since 1946, it houses the Ossolińscy National Department, appointed by Józef Maxymilian Ossoliński in 1817 in Lviv. The pride of the collection are: manuscript of "Pan *Tadeusz*" by Adam Mickiewicz, graphics by Arthur Grottger and Rembrandt, coin of Mieszko I, the seal of Jan Olbracht and medals of the last Jagiellons.

4. Cathedral Island

Situated in the oldest part of Wrocław. An old castle, surrounded by the waters of the Oder, gave rise to the town, has great architectural monuments. Most impressive of these was rebuilt, after the war, John the Baptist Gothic Cathedral and the Church of the Holy Cross. There is also the Archdiocesan Museum, which is the oldest historical continuity retaining a museum in Wrocław - from more than 100 years. The museum collects sacred monuments that - decommissioned as iconic - they have great historical and artistic value. Among them we can find the famous book dated back to the thirteenth-fourteenth century with the first sentence written in Polish.

5. Raclawice Panorama

Is a must-see, visited daily by about 1600 people. Raclawice Panorama, painted by Jan Styka and Wojciech Kossak, commemorating the 100th anniversary of the Kosciuszko Insurrection. It is a unique representation of the Battle of Raclawice 4 April 1794. Work with dimensions of 15 x 120 meters was placed in a specially built rotunda. Ticket to the Raclawice Panorama authorizes viewers to see the permanent exhibitions of the National Museum.

6. Botanical garden

Created in 1811, as a research facility, at the University of Wrocław. Plants are derived from natural sites and botanical gardens around the world. The peculiarity of the Garden is built over 140 years ago a cross-sections of geologic deposits of coal in the vicinity of Wałbrzych. The cross is adorned with printed fragments of extinct plants, which after millions of years turned into coal. Garden areas of 7.4 hectares, greenhouse area - 3300 m², the number of species and varieties - 11 500.

7. Park Szczytnicki of the Japanese Garden (The venue for finals)

The largest and oldest park in the city, was founded in 1785 as a private garden on the estate of Old Szczytniki, combined later with the city park. The main attraction of the park was built in 1913 and then rebuilt many times the Japanese Garden. The original composition of the garden makes that at any time of year it shows a different face, only the elements of Japanese architecture remain unchanged. Szczytnicki Park with its arboretum, beautiful rhododendron grove, the rose garden and the Japanese Garden are listed in the UNESCO World Heritage Site.

6. Protocol and ceremonies (OC)

6.1. Medal Ceremonies

- To begin immediately after the end of the last match.
- All athletes involved in the ceremonies are requested to go to the gathering point. Location will be confirmed during the event.
- All medal winners are requested to be present at the finals venue gathering point of the Award Ceremony, 15 min before the ceremonies are due to start.
- Medal ceremonies will be conducted immediately after the conclusion of each session during the days of the finals (please check the competition schedule).

Mixed Zone and Press Conferences:

- Interviews will take place at the Mixed Zone and athletes will be requested to pass through the mixed zone to speak with the media.

7. Medical Related issues (Medical representative)

- First Aid services will be available during training days from 9–14 August. Ambulance and First Aid services will be available from 15 – 16 August at Centennial Hall, Wroclaw (Finals Venue).
- A paramedic will be available on site for any emergency.

Article 3.13.2.1:

An intention to appeal when it might affect the progression of an athlete from one stage of the competition to the next, must be expressed in writing and lodged with the Chairperson of the Tournament Judge Commission and/or the Jury within 5 minutes of the end of the relevant round or match, whichever comes first. The written appeal must be lodged with the Jury within 15 minutes of the end of the relevant round or match, whichever comes first, to allow the Jury to come to a decision before the beginning of the next round of the competition.

L'intention de faire appel dans le cas où cela pourrait affecter la progression d'un concurrent entre une phase de la compétition et la phase suivante doit être exprimée par écrit au Président des Juges du Tournoi et/ou au Jury dans les **5 minutes** suivant la fin de l'épreuve ou du match en question, peu importe celui qui arrive en premier. **Cet appel écrit** doit être présenté au Jury dans un délai de **15 minutes** suivant la fin de l'épreuve ou du duel en question, peu importe celui qui arrive en premier, pour que le Jury prenne une décision avant le début de la phase suivante de la compétition.

Article 3.13.4:

Jury decisions shall be minuted and submitted to the appellant, the Chairperson of the Tournament Judge Commission and the Organizers before the beginning of the next stage of the competition or before the awarding of prizes.

Le procès-verbal des décisions du jury d'appel est soumis au requérant, au Président des Juges du Tournoi et aux organisateurs avant le début de la phase suivante de la compétition ou avant la remise des prix.
