The Olympic Team elimination will be no-alternating shooting format until the medal matches.

Important timelines & information for the Olympic Qualifications tournament:

13th June 08:00 am:

- Latest deadline to nominate athletes to participate in the Individual Qualifying Tournament on the 17th June.
- A maximum of 3 athletes per country can compete and only countries that **do not** already have a quota place in that gender can compete in this event.
- It is **MANDATORY** for all countries that participate to nominate their athlete(s) even if they have less than 4 athletes participating. The reason is that countries which have no intention to participate in the Olympic Games due to NOC criteria, should not enter for this individual competition and eliminate athletes that would be eligible. No changes/additions can be made after this deadline.
- Athlete/Team nomination forms for the event will be given to each team at the Team Managers Meeting 12 June. Please return to World Archery either Tom Dielen or Chris Marsh.

13th June:

- After the Recurve qualification round a results list will be produced showing the ranking per team and a match play chart for the Team Qualification Tournament. If necessary Team shoot offs for the 16th place will be held.
- For the individual competition only a provisional ranking will be published since the results of the team competition could have an impact on the participants for the individual tournament.

16th June 12:00 noon:

- Latest deadline to nominate Team members of Final Team Qualifying Tournament. If not the 3 highest ranked Athletes will be chosen.

16th June:

- After the team elimination round a possible shoot off for the 8th ranked individuals might take place and following this a match play chart will be produced as soon as possible for the individual qualification tournament. At that time also the number of quota places still available will be officially announced.

17th June:

- It is possible that athletes eliminated in the 1/8th will be eligible for a place since it is maximum one quota per country. In that case placing rounds will take place to determine the final quota places
