Awards will be made in all official categories, except VI divisions.

The below categories obtain points for the Ranking:

## Classification

The classification will be held on **Sunday 3 June from 09:00 to 18:00**.

It is the responsibility of the teams that the archers who have to be classified arrive on time for the classification session.

For athletes who need to be classified, a medical intake form, translated in English, is mandatory. It must be emailed to the chief classifier of the tournament at least 20 days before the start of classification day: [classification@archery.org](mailto:classification@archery.org)

Should this information not be submitted by email before this date, the athlete will not be classified and therefore, will not be eligible to participate in the event.

For physically impaired archers classification will be held on the same location as the field of play.

There will be only one panel for PI classification. In case of protest, a new classification will not be possible on place and should be done on a future event with classification session.

### Visually impaired archers classification:

There will be no VI classification on this tournament.
