

MEXICAN GRAND PRIX 2019 WRE
March 12-17, 2019 - Monterrey, Nuevo León (Mexico)

To all World Archery Member Associations

Dear Mr./Mrs President,

As Chairman of the Local Organizing Committee of the 2019 Mexican Grand Prix, which will take place in the City of Monterrey, Nuevo Leon, on March 12-17, 2019, I would like to invite your archers and officials to be part of one of the most important archery events in the Americas in 2019.

Monterrey is the capital of Nuevo Leon, a charming north eastern Mexican state with impressive mountains. Monterrey is the home of visionary and friendly people. It is well-known for its industrial development, world-class education, high health standards, and a great business-favorable atmosphere.

Monterrey is 2 hours away from the US border. It showcases one of Mexico's major economies, with outstanding industrial groups, and three internationally recognized universities. Mexico's third largest airport is located here.

The archers of the world know that Monterrey is also a city where several important archery events have been held. In 2012 we hosted the first Continental Tournament for Juniors and Cadets, and in 2017 we held the Mexican Grand Prix with 8 countries which experienced competing in our city. Those who have joined us before will certainly be our ambassadors to advertise our 2019 Mexican Grand Prix around the world.

Welcome to this incredible city. Our targets are the same as those your arrows aim at. Our hearts are ready to make your visit an unforgettable experience.

"Monterrey and Mexico's arms are wide open for you".

Regards

Santiago Avitia Hernández
LOC Chairman
