## Judging

### Assignments 2019

World Archery's judge committee releases the list of technical officials for World Archery events being held in the upcoming year at the close of the previous season. The list of judge appointments for 2019 includes the commissions for the five stages and final of the 2019 Indoor Archery World Series, all five Hyundai Archery World Cup events, the Hyundai World Archery Championships, the World Archery Para Championships, the World Archery 3D Championships, the World Archery Youth Championships, the Summer Universiade and the Tokyo 2020 Test Event.

## Achievements

### World record

Ryoo Su Jung of the Korean professional team Hyundai Department Store set a new recurve women's world record for the 60-arrow 18-metre ranking round, shooting 595 out of a possible 600 points at the Macau Indoor Archery Open. It beat the previous record of 594, shot by Park Sehui in Nimes in 2016, by one.

### World record

Faith Miller scored 594 out of a possible 600 points for the 60-arrow 18-metre ranking round to beat the compound junior women's world record by a point at the 2018 Roma Archery Trophy, the third event of the 2019 Indoor Archery World Series. The previous record of 593 points had stood for 12 years after being set by Erika Jones in 2006.

## Rules

### Indoor tiebreak

Following some confusion over the rules regarding tiebreaks at indoor archery tournaments, World Archery has issued the following clarification: "The decision made by World Archery's board in 2017 and that came into effect on 1 April 2018 to add a second shoot-off if both recurve archers shoot a 10 or both compound archers shoot an X10 only applies to outdoor events." The single-arrow shoot-off is still used indoors.

## Events

### Cancellation of Seoul Open

World Archery and the Seoul Archery Association have come to an agreement to withdraw the Seoul Open from the Indoor World Series Calendar for this 2018-2019 season. Less than a month before the event, the number of entries was not high enough to justify a 500-level event and therefore the organiser was not in a position to guarantee the required prize money. Athletes who had registered to the Seoul Open will be contacted directly with further information.

### Macau Open

Mike Schloesser, Alexis Ruis, Oh Jin Hyek and Jeon Hunyoung won gold medals at the Macau Indoor Archery Open, the second leg of the 2019 Indoor Archery World Series and secured the maximum available 250 ranking points towards qualification for the circuit final. It was the first international indoor tournament to take place in China.

### Roma Trophy

Canadian Olympian Crispin Duenas shot nine perfect arrows to beat three-time Olympic medallist Brady Ellison to the recurve men's title at the 2018 Roma Archery Trophy, the third event of the 2019 Indoor Archery World Series. Kim Surin, Alexis Ruiz and Braden Gellenthien also won individual titles in Rome.

Faith Miller, who set the Indoor Archery World Series' third world record in as many events during qualification at the Roma Trophy, finished top of the compound junior women's event. Kalle Numminen, Olha Shubkina and Matteo Canovai also won junior titles.

Italian archers Marco Pontremolesi and Iuana Bassi won the longbow events. Cinzia Noziglia, a multiple world champion who won the World Games in Wroclaw in 2017, took the barebow women's title. Spain's David Garcia Fernandez won the barebow men's event.

### Birmingham 2022

Archery GB has confirmed that it has delivered a proposal for archery's inclusion in the Birmingham 2022 Commonwealth Games as an additional optional sport. The organisation was joined by representatives from World Archery and Archery England to present a vision that would broaden the diversity of the sport programme at the Games and provide exciting opportunities for the growth of archery across the Commonwealth.

### In Memoriam

#### Dominican Republic

World Archery Americas informed of the sudden passing of Paris Goico, 55, of a heart attack as he was driving on 7 December, with his wife and grandson in the car. His wife remains in hospital. A former archer, Paris Goico represented the Dominican Republic at World Cup stages in San Salvador in 2006 and Santo Domingo in 2008. He was the father of 2006 cadet world champion Paris Goico de Lara and was well-known among coaches on the field of play. World Archery extends its condolences to his family and the Dominican Republic Archery Federation, and best wishes to his wife for a quick recovery.

### Coaching

#### Erratum

The Arabic version of the beginner's manual was translated by Alanoud Alharqan (Saudi Arabia), Mashail Alotaibi (Saudi Arabia) and Aya Mamdouh (Egypt), not Khaled Lamandé as announced in the November issue of this newsletter.

#### Level 3 Course

On 3-9 December 2018, the World Archery Excellence Centre in Lausanne hosted a level 3 coaching course, conducted by Juan Carlos Holgado and Pascal Colmaire, and coordinated by Mélyny Postigo. The 20 participants from Australia, Estonia, Iran, Israel, France, Korea, Malaysia, Portugal, Serbia, Sri Lanka, Sudan and Switzerland were also spoken to by World Archery secretary general Tom Dielen on the subjects of discrimination prevention, rights abuse, and recent rules changes.
