## 1. Book 1 – Book 5

Gender neutral language everywhere.

Example:

instead of saying “The President chairs the congress, therefore **he** is the one...”

to “The President chairs the congress, therefore **the President** is the one...”

Sometimes additional unnecessary wording was removed and we were able to do this without putting “his/her” or “he/she”. These changes are not in the tracked changes.

## 2. Book 1

Cleaning up of language and change of deadlines of congress between proxy and registration

## 1. Book 2

- Change of year for 3D
- number of officials for small delegations
- U15 class
- U15 class rounds 30m, 40m, 50m
- Field and 3D round change to direct Eliminations instead of pools and change number of teams
- Team composition change in 3D

## 1. Book 3

- cleaning up of doubles for Para Archery
- shoot off setup of faces
- introduction of U21 for Para at 18m
- change of tactile sight definition for VI

## 2. Book 4

- use of binoculars defined
- number of arrows in 3D changes
- timing all in seconds and reduced for some
- clear definition of what a coach can do

## 1. Book 5

- many changes to Run Archery

## Some outstanding issues

- barebow faces for matches (full 40cm allowed Nimes, European Indoor,...)
- removal of some inconsistency in language

# WA Field & 3D (Slides from OBSV - AUT)

- The time for the WA 3D team makes no sense
  - In WA **3D** **4 athletes** shoot one arrow each and have just **120 seconds (for 4 arrows)**
    - they shoot from 2 different pegs
  - In WA **Field** **3 athletes** shoot one arrow each and have also **120 seconds (for 3 arrows)**
    - they also shoot from 2 different pegs
  - In the **Mixed teams** 2 athletes shoot 2 arrows each and have **160 seconds (for 4 arrows)**
    - they have to rotate but stay at 1 peg
- AUT pointed at that already in Berlin 2023 at the congress

## EXECUTIVE BOARD MEETING

15-16 December 2023 • Belek Türkiye

### Bylaw 1. Timings for 3D archery - updated version

- For qualification rounds, the time limit for Field is 180 seconds and for 3D is 120 seconds.
- 3D Timings - updated version
- In Field Rounds, the time limit for individuals and teams is 120 seconds, **and for mixed team is 160 seconds;**
- In 3D Rounds, the time limit for individuals is ~~one minute~~ **90 seconds, for teams 120 seconds, and for mixed teams 160 seconds;**

Reason: This follows from the request to increase the number of arrows shot in elimination and finals – **the timing must be adjusted to give time to shoot the additional arrow.**

**APPROVED**
