

ATHLETE EDUCATION

Athlete certificate (15-18 years)

The World Academy of Sport's five-hour online course for students gives young people (recommended ages 15-18) the understanding and tools they need to become successful elite athletes. The programme was designed by industry specialists and experts.

Content

- Values and integrity in sport.
- Health and well-being, including mental health.
- Working with a support team and building positive relationships.
- Social media and dealing with traditional media.
- The journey of an elite athlete.

Read [the course prospectus](#) or watch [the course video](#) on the World Academy of Sport website.

Assessment and certification

There is no formal assessment for this course. Participants can download the athlete certificate upon completion.

Cost

Free access for up to 100 athletes is available through World Archery. Young athletes interested in the course should contact their national archery federation. In case federations would need more access codes, the price for any additional code is 40 USD.

Eligibility

This course is designed for young athletes aged 15 to 18 who are beginning their performance pathway however people of other ages may find the content useful. A basic knowledge of English is required. A maximum of 100 archers per country may access the course.

Registration

Interested member associations register their interest via World Archery Extranet no later than 10 December 2021. Each country's list should take into account gender, geographic and age balance.

Each participant must enrol to the course with provided code before the end of this year. However, there will be one year to finish the course.
