Privileges in World Archery's extranet

Definition
A privilege is the specific access granted to certain users or functions within the World Archery extranet. There are four groups of privileges: entries/biographies, member associations, competitions and results.

Description
Each privilege has a short explanation in the User Management section in the extranet. A more comprehensive description of privileges is provided below to facilitate its understanding.

Type	Privilege designation	Has the right to…
Entries/Biographies	Can create entries	Create entries (profiles for athletes and officials) needed for registration. This includes basic information (name, nationality, member association, date of birth, wheelchair needs, etc.) requested in the page "*Create New Entry*".
	Can edit entries	Edit basic information (name, nationality, member association, date of birth, wheelchair needs, etc.).
	Can view Biographies	View full information of an athlete or official, including archery background, contacts and social media account information, in the "*Biographies*" section.
	Can edit Biographies	Edit full information of an athlete or official, including archery background, contacts and social media account information, in the "*Biographies*" section.
	Can Manage ID Documents	Manage information about passport or ID card, including the right to upload new files and view files that are already uploaded in extranet. Copy of ID needs to be uploaded before requesting visa invitation.
	Can view Para Classifications	View general information of Para-Athletes, not medical details, in the "*Biographies*" section.
Member Associations	Can view MA details	View basic information about all member associations under "Member Associations" section. This includes status, address, contacts, functions and admin users of all member associations.
	Can edit MA details	Edit information about a specific member association (typically, its own MA), including address, contacts and functions. Institutional details as status, association's name or foundation year do not apply.
	Is MA Admin user	Add users, admin users and assign privileges for other users in a specific member association (typically, in its own MA). The admin user cannot modify its own privileges.
	Can view documents of a MA	View documents of a specific member association (typically, its own MA). This includes invoices and official letters uploaded in the "Documents" section.
	MA functions in Wareos	Manage registration for World Archery and other international events, hotel bookings, transportation, etc.
	Can view situation in Wareos	View registration and bookings done by a specific MA (typically its own MA).

Type	Privilege designation	Has the right to…
Competitions	Can view competitions	View all competitions registered by member associations and World Archery. Information is accessible in the "Competitions" section and includes event type, competition level, name, dates, location, record status, discipline and competition type.
	Can edit competitions	Edit competitions registered by a specific member association (typically its own MA) in the "Competitions" section. Modifications include event type, competition level, name, dates, location, record status, discipline, competition type, contacts and others.
	Can create new competitions	Create new competitions hosted by a specific member association (typically, in its own MA), in the "Competitions" section.
Results	Can view Performance Awards	View historical awards granted to any athlete. This includes World Archery Stars Awards, Silver Star Award, Target Award, Silver Target Award and World Archery Arrowhead Badges.
	Can view Records	View historical data of all World, Olympic and Paralympic records of any athlete and in all disciplines and categories. This information is in the "Records and Awards" section.
	Can claim new Performance Awards	Claim new performance awards of an athlete of its own association in all disciplines and types of competitions. This is done through the "Claim New Performance Awards" section in the extranet.
	Can claim new Records	Claim World, Olympic and Paralympic records of athletes of a specific member association (typically its own MA). This is done through the "Claim New Record" section.
	Can view Results	View uploaded results of registered competitions in the "View Results" section. This is not available for all competitions.
	Can view World Rankings	View World Ranking list for all categories, in the "View World Rankings" section.
Other	Can view Disciplinary Actions	View sanctions toward athletes worldwide.
	Assign Disciplinary Actions	Edit sanctions toward athletes of a specific MA, will be visible for others.
