

BYLAW

Approved by FITA Council on 10 November 2007

Effective as of 1 April 2008

Book 2, Article 7.2.5.15 (removed)

7.2.5.15 A Tournament Delay Signal consisting of a red flashing light may be used on the shooting field by the Director of Shooting in case of equipment failure, rebounding arrow, problem at target butt, etc. This indicator may be incorporated in the red time control lights or be a separate fitting placed near them.
