5 ~~OLYMPIC GAMES MATCHPLAY CHART (64 athletes, byes are permitted)~~

~~There will be a morning (AM) and an afternoon (PM) shooting session. If the field has only four targets, the athletes will shoot in groups of four, two matches each as detailed in the start list for the 1/32, 1/16 and 1/8 Elimination Rounds. Each of the lettered groups of eight will be divided into two subgroups of four. For example: A1 and A2.~~

~~If there are two fields of play with two targets each the same will apply. The first subgroup will shoot on one field of play and the second subgroup will shoot on the other field of play. The two winners on each field of play will shoot their following match on the same field of play up to the end of the matches for that subgroup.~~
