Effective as of 1 April 2012

Book 5, Article 11.10.3.4.1

11.10.3.4.1 The bow shall correspond to the traditional form of a longbow which means that when strung the string may not touch any other part of the bow but the string nocks. The bow may be made from any material or combination of material. The shape of the grip is not restricted. Centre shot is allowed.

For women the bow will not be less than 150cm in length, for men the bow will be not less than 160cm in length – this length being measured on strung bow between the string nocks all along the outside (back) of the limbs.
