

Book 2, Article 7.3.1.9.3

A question was raised by a Member Association on the use of iris lense:

“May an archer use an adjustable iris lense system (like the adjustable opening of a camera) on his shooting glass for his aiming eye?”

Response from the Technical Committee:

The FITA Technical Committee agrees unanimously that the use of an adjustable iris lense on the shooting glass is not legal.

Technical Committee, 24 February 2006

Approved by C&R Committee, 27 April 2006

Book 3, Article 8.3.2.9.3

A question was raised by a Member Association on the use of iris lense:

“May an archer use an adjustable iris lense system (like the adjustable opening of a camera) on his shooting glass for his aiming eye?”

Response from the Technical Committee:

The FITA Technical Committee agrees unanimously that the use of an adjustable iris lense on the shooting glass is not legal.

Technical Committee, 24 February 2006

Approved by C&R Committee, 27 April 2006

Book 4, Article 9.3.9.1.2

A question was raised by a Member Association on the use of iris lense:

“May an archer use an adjustable iris lense system (like the adjustable opening of a camera) on his shooting glass for his aiming eye?”

Response from the Technical Committee:

The FITA Technical Committee agrees unanimously that the use of an adjustable iris lense on the shooting glass is not legal.

Technical Committee, 24 February 2006

Approved by C&R Committee, 27 April 2006
